How To Read This Schedule: Plan your route by determining when you want to arrive at your destination.

Then determine when the bus picks up at your site before you need to arrive at your destination.

e.g. If you have an 11am appointment at the Allina Regina Medical Center and you live at Oak Ridge Assisted Living you could board the bus at your residence at 10:04am and will be dropped off at the Allina Regina Medical Center at 10:34am.
